CorText - DokuWiki Collaborative site - Welcome

Welcome on CorText team collaborative DokuWiki website.

You need an account to access the content.

Once authenticated, you will find here:

- A Knowledge Base including generic computer science information as well as exploitation information
- Projects documents : Research projects and IT projects.
- Human resources list and Personal home pages.
- Old documentation is still available in the Archives section.

You will **not find** :

- Technical documentation and code. This is available on our GitHub
- Direct access to our solutions. Please visit CorTexT Manager
- Tools and Solution documentation. Please visit Cortext Manager and http://docs.cortext.net
